HSHS Band Boosters

Form Verified By: _____

We encourage all parents to join the Holly Springs Band Boosters! Just one more way you can support your child and the Band Program. The Band Boosters are parent volunteers who help the Band Director organize and run the behind the scenes activities needed for a successful program. **Band Booster membership is required to volunteer.** The Wake County School System also requires all volunteers to register with them. This must be done at any school computer and only takes a few minutes. *Everyone should apply for a level 4.*

The Polo Shirts are for Band Booster Members only. They are worn with khaki shorts or pants. Only parents that are actively "On Duty" for that event (game, competition, parade, etc.) should wear the Polo. All other parents are encouraged to wear the Show Shirt.

The Show Shirt and the Hoodie are available to be purchased by all parents. These are the same as the ones worn by the Marching Band. They are a great way to show your support at all games and especially at our competitions. The HSHS Throw has the Marching Band front and center. Great for the cold days and nights!!
