Parent Polo shirts are required to volunteer at events such as the RBC Center, Football Games, and Competitions. The Wake County School System also requires all volunteers to register with them. This must be done at any school computer and only takes a few minutes.

The polo shirts are worn with khaki shorts or pants during games or competitions. Polo shirts are worn with black **dress pants at the RBC Center. Only parents that are actively "On Duty" for that event (game, competition, parade, etc.) should wear the Polo.**

The Show Shirt, GHR bag, and the Hoodie are available to be purchased by the parents but not required. These are the same as the ones used by the Marching Band. They are a great way to show your support at all games and especially at our competitions. The HSHS Throw has the Marching Band front and center. Great for the cold days and nights!!

The Poncho is a plain, clear, very large poncho that is designed to wear over the marching uniform. Parents are NOT required to order this, but we thought we'd include it in case you wanted one for bad weather. Other rain gear may be worn as well while volunteering.
