Each Student has an account which contains money students earn from fundraising. Freshman students will start with a zero balance until the first fundraiser. The money in the Student Accounts may be used to pay for Marching and or Concert accessory items and/or trip expenses. To obtain a balance on your account, please contact the Treasurer, Mike Brown, or Mr. Biasi. Please refer to the Band Handbook for more details.

Fair share payments cover marching expenses, including one show shirt, band camp, band camp food, staff, instruction and competition expenses, etc.

**Please be Fair and Pay your Share!**
